CREDITBUDDY PARTNERS PRIVATE LIMITED

CIN: U62090OR2026PTC[●●●●●●] | Registered: Bhubaneswar, Odisha

USER AGREEMENT

Platform Access, Data Consent & Partner Service Agreement for Registered Users

Version 1.0 | Effective: April 1, 2026

This User Agreement ('Agreement') is entered into between CreditBuddy Partners Private Limited ('CreditBuddy') and you, the registered user ('User'). This Agreement supplements the Terms of Service and Privacy Policy and governs the specific permissions, consents, and obligations you undertake upon registering on the Platform.

1. Account Registration

1.1 To use the Platform you must register with your valid mobile number (linked to Aadhaar or PAN), create a secure PIN or biometric authentication, and complete the CreditBuddy KYC process.

1.2 You are responsible for maintaining the confidentiality of your login credentials. You agree to log out from shared or public devices after each session.

1.3 CreditBuddy may require periodic re-KYC or re-verification as mandated by applicable law or NBFC partner requirements.

1.4 One account per user. Duplicate accounts will be suspended.

2. Consents Granted Upon Registration

CONSENT SUMMARY — Please review each item

> The following consents are collected at registration. You may manage or withdraw each consent through Platform settings. Withdrawal of individual consents may limit access to specific verticals but will not affect your core account.

Consent Type	Purpose	Mandatory / Optional
Identity & KYC Verification	Verifying your age, identity, and student/young adult status	Mandatory for Platform access
Credit Bureau Pull (BORROW)	CreditBuddy and NBFC partners pulling your credit report for loan eligibility assessment	Mandatory for BORROW Vertical only
Account Aggregator Data (BORROW)	Accessing financial account data via AA framework for creditworthiness assessment	Mandatory for BORROW Vertical only
Data Transmission to NBFC Partner	Sharing your application data with the specific NBFC/Bank Partner you apply to	Mandatory for each BORROW application
Geolocation Access	Fraud prevention and relevant partner matching	Optional — may affect service quality
Device Data Collection	Fraud detection and platform performance monitoring	Mandatory for security
Marketing Communications	Personalised offers, product recommendations, platform updates	Optional — freely revocable

3. BORROW Vertical — Specific Agreement Terms

By applying for a loan through the BORROW Vertical, you further agree to:

1. Provide accurate income, employment, and financial information. Misrepresentation is a ground for loan rejection and may be reported to credit bureaus.
2. Acknowledge that the Key Facts Statement (KFS) provided by the NBFC/Bank Partner sets out the definitive terms of the credit product, including the APR and all fees.
3. Acknowledge that CreditBuddy is not a party to the loan agreement between you and the NBFC/Bank Partner. CreditBuddy's role ends at the point of successful referral.
4. Not hold CreditBuddy liable for the NBFC/Bank Partner's credit decision, disbursement timeline, or post-disbursement terms.
5. Comply with the NBFC/Bank Partner's repayment obligations as set out in their loan agreement. Default on loan repayment will negatively affect your credit score with credit bureaus and is outside CreditBuddy's control.

4. LEARN Vertical — Specific Agreement Terms

By enrolling in a course through the LEARN Vertical, you further agree to:

6. Acknowledge that course content, quality, examination conduct, and certification issuance are entirely the responsibility of the EdTech partner offering the course.
7. Review and accept the EdTech partner's own terms and refund policy before enrolling. CreditBuddy does not control or guarantee refund eligibility.
8. Not hold CreditBuddy liable for course discontinuation, content inaccuracies, or failure to receive expected learning outcomes.

5. EARN Vertical — Specific Agreement Terms

By applying for gig opportunities through the EARN Vertical, you further agree to:

9. Acknowledge that you are engaging with the employer partner as an independent contractor or employee — not as a CreditBuddy employee. CreditBuddy does not guarantee payment, minimum earnings, or gig availability.
10. Conduct yourself professionally in all interactions with employer partners. Misconduct reported by employer partners may result in account restrictions.
11. Provide accurate skills, availability, and portfolio information on your profile.

6. Prohibited Uses

You expressly agree NOT to:

- Use the Platform or any service facilitated through it for money laundering, fraud, identity theft, or any other illegal activity
- Attempt to access the accounts, data, or information of other users
- Upload viruses, malware, or any code designed to disrupt, damage, or gain unauthorised access to any system
- Use automated scripts, bots, or scrapers to access the Platform
- Circumvent any access control, security feature, or usage limitation on the Platform
- Use the Platform to harvest contact information or data of other users

7. Accuracy of Information

You acknowledge that:

- CreditBuddy relies entirely on the information you provide to match you with partner services. Inaccurate information may result in unsuitable matches, service failures, or regulatory consequences.
- You are responsible for updating your profile data whenever there is a material change (change of address, income, employment status, etc.).
- CreditBuddy does not independently verify all information you provide (except KYC verification through authorised agencies). Verification by partners is their responsibility.

8. Communication Preferences

CreditBuddy will communicate with you via in-app notifications, email, and SMS for:

- Account security alerts (mandatory; cannot be opted out)
- Application status updates for BORROW, LEARN, and EARN (mandatory while application is active)
- Platform updates and feature announcements (optional; manageable in settings)
- Marketing and promotional communications (optional; consent-based, revocable)

CreditBuddy will not contact you outside 8:00 AM to 7:00 PM IST for any non-emergency communication, in line with RBI customer contact guidelines.

9. Acknowledgements

By accepting this Agreement you acknowledge that:

- You have read, understood, and accepted CreditBuddy's Terms of Service, Privacy Policy, and this User Agreement.
- CreditBuddy is a technology intermediary and LSP — not a lender, educator, or employer.
- Your financial, educational, and employment outcomes are determined by partner institutions — not by CreditBuddy.
- CreditBuddy's role and the role of partner institutions will be clearly disclosed at each stage of every application journey.
